# COMPANYPROFILE

AGVA Corporation Limited is a leading global manufacturer of lifestyle bags and accessories with a focus on the consumer electronics industry. Our products include laptop bags, backpacks, hard drive cases, GPS cases and multi purpose pouches etc.

Established in Singapore in 1983, AGVA quickly gained strength with our original designs, manufacturing capabilities and strong product development team.

## EXTENSIVE PRODUCTON CAPABILITY

At the heart of AGVA's manufacturing capability is our 420,000 square feet factory in Dongguan, China, with a 900 strong workforce. We supply products direct to major retailers globally. Strict quality controls and procedures are instilled in every part of our supply chain, enabling us to meet strict factory audit requirements.

## STRICT QUALITY CONTROL, RELIABLE PRODUCTS

AGVA's manufacturing operations adopts a Total Quality Management System in accordance with ISO 9001 requirements. This system is implemented across all stages of our production process, from product design all the way to order fulfillment.

## DEVELOPMENT

We specialise in softline cut-and-sew bags and tablet case automation. With a 60 people strong in-house design and product development team coupled with a strong manufacturing capability, we are able to provide a fully integrated product solution for our customers. We are able to generate new products from concept to packaging and support our customers on an ODM/OEM basis.
